Issue No. 6 - 1st July, 2025

NAIDOC Week

News from the Principals desk

Welcome to Week 10, Term 2 and the end of what has been an exciting, fun and jam-packed term. Thank you to our families and staff who have supported many of these initiatives both close to home and far afield.

I would like to begin this weeks newsletter with a special congratulations and thank you to our dynamic Student Counsel Representatives. Pajama Day couldn't of come on a better day. As the temperature dropped the Oddies and snuggly pj's were donned. Thank you to Mrs Albert and her organisation of yummy popcorn and movie. I can't wait to see what our SRC have installed for next term!

Parent Teacher Meetings

Thank you to those families who were able to attend Parent/Teacher meetings last week. We are aware that many families were overcome by sickness or had prior engagements during this week however we encourage all families to contact their classroom teacher for a meeting early next term to discuss their child's progress.

Kinder Morning Tea

Thank you, Kindy Teacher extraordinaire, Mrs Robers and Mr Sozou for the wonderful Kindergarten Open Morning. We welcomed new and existing families for a school tour and classroom visits followed by a picnic in the park. We can't wait to see our 2026 Kinder students and families next term for our Orientation visits. Please see the flyer in this weeks newsletter.

School Survey

In Term 2, we are offering our students the opportunity to participate in the NSW Public Schools Student Survey. The survey gives students the chance to share their thoughts and feelings about life at school, including questions about their engagement, learning experiences and wellbeing at school. Hearing directly from our students will help us understand what's working well and where improvements can be made to our school. The survey is confidential, takes around 10 to 15 minutes to complete, and will be conducted online during school hours. Participation is voluntary. If you prefer your child not to participate, please complete the opt-out consent form, which will be sent home, and return it to the school. Further information about the survey is available at <https://education.nsw.gov.au/npss>

Spelling Bee

Congratulations to all students who partook in this years spelling Bee. Mr Levie and Mrs P will conduct our school finals on Thursday. The winner from each stage will represent Maclean Public School in the finals that will be held in Term 3. Best of luck to:

Debating

Last Wednesday, Maclean Public School competed in the third round of the Premier's Debating challenge versing Palmers Island Public School. Maclean were the affirmative team, arguing that Year 5 and 6 students should do all of their work on laptops rather than using paper and pens. In a very close debate, Palmers Island were very persuasive and took the win. Our final debate will be in Week 3, Term 3 against Broadwater Public school. Congratulations to Phyre, Stella, Olive and Tom for representing our school with pride. Thanks Ms Grayndler you have done a wonderful job with our Debating this year.

Public Speaking

Congratulations to Diesel, Gracie, and Caitlyn for proudly representing Maclean Public School at the local Public Speaking Final held last week at South Grafton Public School. Each student delivered both a prepared and an impromptu speech with confidence and clarity, earning positive feedback from the adjudicator.

We also wish the best of luck to our Year 6 finalist, Evie, who will be competing in the online final on Friday, July 27. Go Evie!

Well done to all our speakers—you've shown great courage, skill, and pride in representing our school!

Chess

I am excited to share that three teams from Maclean Public School participated in the Clarence Valley Chess Competition at Gulmarrad Public School on June 23. Mr Spicer reports that whilst they did not win the final, all students involved certainly used the skills they have been practicing on a Friday. Congratulations to all competitors for their great effort and sportsmanship!

NAIDOC Week

This week Maclean Public School celebrates NAIDOC Week - a time where we proudly recognise and honour the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.

This year's theme '**The Next Generation: Strength, Vision & Legacy**' celebrates not only the achievements of the past but the bright future ahead, empowered by the strength of our young leaders, the vision of our communities and the legacy of our ancestors.

Today Aunty Lenore delivered a beautiful Welcome to Country describing our students 'little stars.' We commenced our opening ceremony with our proud leaders Connie and Mia who led our special assembly. Thank you to Aunty Leesa, Kyran, Antwone, McKeeley and Mrs McMahon for their tear-jerking Dance and Indigenous Choir performances.

This weeks celebrations would not go ahead without the planning and collaboration of our Aboriginal Education committee, Mudyala, AMS and of course our wonderful Aunty Leesa.

Monday - On Country experience (Postponed to Week 2, Term 3)

Tuesday - Opening Ceremony and Morning tea

Wednesday - AMS groups

Thursday - Language lessons with Aunty Frankie and Aunty Cath

Friday - Wear Red, Black and Yellow for Indigenous Games.

Eisteddfod

Congratulations to our wonderful music and choir students. We took home a huge haul of medals, placings and highly commended's. Thank you to Mrs Moore, Ms Delaney and Mrs Maloney for all their efforts in preparing our students for this great experience.

Sporting News

It has been a term of trials and Knock Out's for many of our team sports.

Athletics Carnival

A reminder to all parents/carers to check our Facebook page as it contains information about up and coming athletic events. Our fantastic House Captains are working on another video, which will outline the improvements Mr Spicer has made to the day and what we can expect!

All students have been given the opportunity to practice high jump and shot-put during lunch times, receiving tips and tricks from Mr Spicer! We look forward to seeing our field finalists compete on Wednesday the 6th of August at Wherrett Park.

PSSA Basketball boys Knock Out

Congratulations to our Boys Basketball Team; Allan B, Jesirrah, Jaxon, Ryder, Uriah, James, George P, Taio. They boys played a great first game against Gulmarrad. It was a thrilling match where both teams went goal for goal. Thanks Gulmarrad for what was an awesome game! Coming away with the win our team advanced to the 3rd round where we played the Kyogle. The first quarter was neck and neck however in the 2nd round, the very well polished Kyogle, came away with a convincing win. Thank you to super coach Miss Bec who did an awesome job training and coaching our Boys team.

PSSA Touch Football Trials (Boy and girls)

We had a huge contingency of MPS students trial for the Northern Rivers PSSA Touch Football. All students enjoyed the experience in the very cold conditions and represented our school in a positive light. Well Done to Savannah, Allan B, Jesirrah, Matilda, Oscar, Mia C, Jemima, Jaxon, Tieshi, LAchlan H, Ryder, Stella, Blade, Gracie K, Olive, Lewis, George P, George M, James, Alba, Connie, Bonnie, Sariyah, Taio, Kyan. A big congratulations to Taio who made it on to the boys Touch Football team. He will trial for the North Coast Team tomorrow. Best of luck Taio!

PSSA Soccer Trials (Boy and girls)

Well done to Alba, Atticus, Jack G, Jaxon, George P, George M trialled for the Northern Rivers PSSA Soccer team in what I am told was tough competition.

PSSA Netball Knockout

Mrs Hoffman's Netball team, played awesome netball in the recent PSSA Netball Knockout competition held at Raymond Laurie Sports Complex in a round robin style event. Our team: Matilda, Lola, Evelyn, Jaxon, Skylah, Ryder, Grace L, Ivy, Connie played their hearts out however were knocked out by

Sporting Schools - Tennis & Rugby League

Stage 2 & 3 students have been participating in the Sporting Schools program this term, trying their hand at tennis. Throughout the term, students have been learning the basic techniques and terminology of the game, building their skills while having fun on the court. Thanks, Mr Jurd and Sammy for your coaching expertise.

K-2 students participated in Rugby League and had a great time with their Coach Waz. Students have had fun learning new skills.

Maclean Eisteddfod

I am incredibly proud of all the students who participated in the recent Music Eisteddfod. The courage shown by our students to perform in front of others is truly admirable. Their dedication, hard work, and passion for music was evident in every performance. Whether performing as soloists or in ensembles, our students showcased remarkable talent and represented our school with pride. Congratulations on your outstanding achievements and for making this year's Eisteddfod a memorable success!

Mrs Moore

Junior Choir

Thursday saw our K-2 choir perform in the Lower Clarence eisteddfod. The students sang two songs: Blackbird by the Beatles and On with the Show. Despite some very nervous bellies with butterflies fluttering, our students represented themselves and our school with pride, singing beautifully and conducting themselves in a manner demonstrating the school's PBL expectations of respectful, responsible and safe. Our choir was awarded first place which was truly deserved from the practice and efforts of our young students.

Mrs Moloney

Senior Choir

The Senior Choir participated in the Maclean Eisteddfod last week and displayed great showmanship throughout the event. Our students performed with enthusiasm and skill, making the most of this valuable opportunity to showcase their talent.

It was not only a rewarding experience but also excellent preparation for those heading to the Sydney Opera House next term. We are proud of their efforts and look forward to what's ahead!

Mrs Delaney

School Camp

A reminder to all parents and carers that a deposit of \$50 is due by the end of this week for both the Year 4 Camp and the Stage 3 Camp.

- Year 4 Camp: Students will be heading to the Coffs Coast Adventure Centre for 2 nights and 3 days, from Wednesday 3rd to Friday 5th September.
- Stage 3 Camp: Students will attend camp at Lake Ainsworth for 3 nights and 2 days, from Wednesday 10th to Friday 12th September.

Please ensure deposits are paid on time to secure your child's place. Further information about the camps will be sent home soon.

Chess Competition

Three teams from Maclean Public School represented our school at the Clarence Valley Chess Competition held at Gulmarrad Public School. Every student performed with focus, patience, strategic thinking and a love of the game. Team B played exceptionally well. They won the second division and earned the right to challenge Iluka Public School who were the top team in the first division. Although we did not win the final match this was the first time a Maclean team had reached this stage of the competition. A fantastic achievement.

This result reflects the commitment of the students who have been turning up to Mr Spicer's Chess Club every Friday. These lunchtime sessions are open to all students who enjoy learning the game and playing friendly matches.

Well done to all competitors for their excellent effort and sportsmanship.

HPGE - PEAC

On Tuesday 17th June, 12 Stage 3 students participated in the High Potential Gifted Education (HPGE) program at Maclean High School. Students engaged in two workshops. In visual arts, students explored a range of different mediums including photography, sketching, animation and sculpture. In music, students collaborated with other students from our area and engaged in creating song lyrics and performed to the group. It was a fantastic opportunity for some of our creative students to participate in these workshops.

PJ Day Success!

Last Friday, students arrived at school in their favourite pyjamas for a fun-filled fundraising day organised by our SRC. From bright patterns to fluffy slippers, the comfy vibe was contagious!

We were absolutely flabbergasted by the generosity of our school community—those gold coin donations really added up! The funds raised will go towards something special for our students to enjoy, and we can't wait to share more soon. A big thank you to everyone who got involved and helped make the day a great success!

DATA *collecting* IN 2C

DISCOVER YOUR TRAVEL EXPERIENCE WITH US

Over the past few weeks 2C have been learning about data collection. They have been exploring data collection through LEGO! This hands-on approach not only makes learning engaging but also helps students grasp important concepts in data visualization and analysis. The challenge was to build something using 30 pieces of LEGO then make a data display.
